W. P. ENGINES CRASH; THREE DIE, NINE HURT

MONDAY NIGHT ACCIDENT
ABOVE SUNOL WRECKS
LIMITED TRAIN

A lone freight locomotive coming down from Stockton to Niles, reportedly running on the wrong time, on Monday night at 10:15 o'clock piled into the locomotive of the oncoming Western Pacific Exposition flier just out of Oakland for Salt Lake City and Chicago.

The accident occurred near a bend at the Bonita overpass knocking two cars of the passenger train from the rails, killing three trainmen, injuring another, and sending eight passengers to the nearest hospitals.

The limited was only running at 45 miles per hour, yet the impact damaged both locomotives so badly they had to be cut to pieces with electric torches next day, and removed from the rails piecemeal.

Sightseers from all over Southern Alameda County thronged to the scene all day Tuesday, watching the work of clearing the wreckage. The Western Pacific trains were routed over the Southern Pacific rails through Niles until the track was cleared and repaired above Sunol.

The freight was on its way to Niles under orders to help boost freight cars up the Niles Canyon tracks when it plowed into the fast night passenger train.

The surviving trainman of the freight engine told authorities his watch must have been nine minutes fast, and he believed he had ample time to reach Niles and clear the tracks for the expected night train.

The fireman and engineer of the passenger train were scalded to death in their cab. A mail clerk in the night train was seriously injured and died a few hours later.

Herman Koopman, 19, Sunol district rancher, who heard the crash of the two iron monsters, was the first to reach the scene. He hurried to Pleasanton where he spread the alarm, securing the services of police and firemen, and of ambulances and doctors.

AUTUMN BEGINS

Autumn began with a cold sigh early Sunday morning, which was the official date for the advent of fall. A cold wind blew in the morning, which turned dry and warm through the day. The humidity was very low, and gardens dried out quickly. On Monday Indian Summer began with a pleasant, dry warmth in this district.

VIEUX SIGNS UP 96 PERSONS FOR AIR OBSERVATION

Jack Vieux of Niles, serving as chairman of the aircraft observation service in Washington Township, reports almost complete success in signing up the required 24 men and women for each of four observation stations for a total of 96 persons.

He went to the regular meeting of the Alvarado Chamber of Commerce in the Alvarado Grammar school Thursday evening of last week and laid the matter before them. The chamber thereupon took their share of the project from him, and Monday afternoon Vieux received a special delivery letter from George Oakes, Alvarado publisher, giving the full list of 24 Alvarado district residents who had offered to serve.

Vieux meantime had signed up his 24 observers for the Niles post, the same for the Halls station (near Warm Springs) post and late Monday lacked but four names to fill his quota for the Mowry (near Newark) post.

SERVICES HELD TUESDAY FOR LATE FREDERICK BLACOW

CENTERVILLE—Services were held here Tuesday afternoon at 2 o'clock from the Chapel of the Palms Mortuary for the late Frederick William Blacow, 67, a native of Irvington who had spent his entire life in Washington Township.

He was a nurseryman and a member of one of the community pioneer families. He succumbed at his home here Sunday morning. Pallbearers and honorary pallbearers from the Men's club of St. James Church, of which he was a member, accompanied the remains to Oakland where cremation took place at the Chapel of the Chimes.

Reverend A. J. Attwood of Berkeley, one time pastor of St. James Episcopal Church here, and a long time family friend, officiated at the last sad rites. The deceased was also a member of Washington Parlor of Native Sons here.

The Sunday morning worship service at St. James Episcopal church in Centerville will be dedicated to the memory of the late Frederick Blacow, according to Rector, Reverend Arnold J. Nash.

Surviving are the widow, Emma and three children, Lois of Irvington, Howard E. of San Francisco and Mervyn of Sacramento. He was the brother of Mrs. Anna Matlocks of Santa Clara.

FIRE ALARM BREAKS UP NILES CHAMBER MEETING

The usual Monday noon meeting of the Niles Chamber of Commerce held at the City of Florence Restaurant broke up abruptly some minutes earlier than usual when the fire alarm went off.

With nine members present and Dr. T. C. Wilson in the chair the usual discussion was had on intercollegiate football games, the state of the nation, etc. when the members adjourned hurriedly to the street to watch flames licking up a grass-covered slope southeast of the hill with the Junior Chamber's "NILES" sign on it.

The Niles fire truck extinguished the fire with some grazing land burned.

A. J. Petsche, manager of the P. G. and E. office in Niles is convalescing at his home here from a several weeks' attack of influenza.

CALIFORNIA RANKS SECOND IN STATE GUARD STRENGTH; MORE RECRUITS NEEDED HERE

SACRAMENTO — Fastest growing armed state defense organization is the California State Guard with a mustering strength of approximately 11,500 men. This was made public in an official report by the Adjutant General, Brigadier General Joseph O. Donovan, observing the sixth month of operations under Federal legalized authority.

The report points out that while New York State ranks first in manpower strength, California runs a very close second to the Nations greatest populated area.

Although the California State Guard was not legalized until April 21 1941 under the authority of the War Department and under the Military and Veterans Code, State of California, it dates back to a year ago when a small group of patriotic minded and state conscious Californians, headed by General Donovan and Col. Rupert Hughes, the eminent writer started the public minded men.

When on April 21, 1941 the authority was secured and Governor Olson, through an amendment to the Military Veterans Code, secured a State authorization for such an armed force, the nucleus of the State Guard was ready, fully trained and merely awaiting the donning of uniforms to become soldiers in fact. That was six months ago and less.

Today the California State Guard includes in its arms and branches of service four Infantry Regiments with the fifth now being formed, seven Provisional Infantry Battalions, six Observation Squadrons, Nautical Corps, Signal Corps, Sanitation Corps, Provisional Ambulance Corps and Motor Transport Corps.

In all instances guardsmen personnel pays for uniforms, time is gratuitous and in many instances personal bank accounts are drawn upon to meet the ever increasing need for guard maintenance and supplies.

In the six squadrons of the Air Corps, planes are the personal property of the flying Guardsmen who agreed upon accepting their commissions, and promised the state the use of their planes in the event of a state emergency.

— Representative Body

The rank and file of the California State Guard is truly one of

the most representative cross-sections of California life, for bankers keep step with butchers, the department store owner democratically marches side by side with the delivery boy and a world famous author "carries on" in the discharge of his patriotic duty with a man who, perhaps, may be his butler.

But, in all instances, these men are American citizens checked and double checked as to their standing in their community, on their physical ability to carry on under stress should the time come for armed action. This body of men cannot be called out of the state. It is formed for the purpose of protection of Californians and California property.

Arms and ammunition have been secured from the War Department, every cooperation is being extended by high ranking officers of the army in facilitating the growth of and aid to the California State Guard. For, in the majority of cases the men who today serve in the rank and file of the California State Guard, are the younger and more vigorous veterans of World War I many of them formerly commissioned officers in the regular U. S. Army, many others enlisted men, numerous of them wearing the highest decorations awarded by their own nation and of other nations for valor, courage and will under fire.

Of these components is the California State Guard being built.

Here in Washington Township a State Guard Rifle Company is slowly being formed under the chairmanship of Walter Waynflete, assisted by outgoing Commander, Ray Peterson of Washington Township Post, American Legion

PROPER GANDER

Jack Vieux, as chairman of the day introduced Attorney John Moore of Oakland as speaker of the day after last Thursday noon's luncheon meeting of the Niles Rotary club held at the Hotel Belvoir. His subject was, Propaganda, Good and Bad. (Which brings up the story of the little goose who had a wandering father. His father he said was no proper gander.)

TWENTY MEN SIGN UP WITH STATE GUARD COMPANY

The following 20 men have signed up with the Washington Township Provisional Rifle Company have received their enlistment records and are taking, or have taken, their physical examinations, according to Walter Waynflete, Legion chairman of this activity:

*Thomas C. Santos, Irvington.
*Anthony S. Coelho, Newark.
*Frank A. Holden, address not given.

*Zidero A. Silva, Newark.
*Frank R. Lewis, Niles.
(* indicates ex-service men.)

Other men not listed above, are drilling regularly with the company, but they cannot join because of civilian commitments.

Doctors of this Township who have consented to give the men their physical examinations without charge as the doctors' contributions to national defense include Dr. W. L. McWhirter, Centerville, who is medical officer of Washington Township Post of the American Legion; Dr. Lyle H. Buehler at Niles, Dr. E. C. Grau at Niles, or any other physician who feels moved to contribute his services to the national defense effort.

NEW MEN'S CLUB PLANS JIGGS DINNER OCTOBER 9

An organization meeting for a Men's club affiliated with the Niles Congregational Church was held Monday evening in the Manse with A. J. Rathbone serving as chairman. Present were Fred Duffie, secretary, A. B. Leask, Warren Jones, Paul Offel and Reverend R. C. Day.

It was decided to hold a Jiggs dinner on Thursday evening, October 9 in the social hall at the church, and invitations to the event are being sent out this week.

Mr. Leask is chairman of arrangements for the dinner. The organizing group will meet again at the Manse on Monday night, October 6 to check on the number of replies received from the postcard invitations, and to complete plans for the dinner.

Mr. and Mrs. A. C. Ware of Sacramento were weekend guests of Mrs. J. C. Shinn, Jr.

and incoming Commander Sam Scott of Newark.

Drill is being held each Monday night from 7:30 to 9:30 p. m. in the Washington High School gymnasium at Centerville, with State Guardsman Corporal James Collins in charge of the drill.

Sixty more men and young men are urgently needed, and recruits may sign up at the drill hall each Monday night. Doctors throughout the state are giving free medical examination to Guardsmen, as the doctors' contribution to national defense.

CHURCH GROUP PLANS WINTER UNION SERVICES

CENTERVILLE — Upon the conclusion of the Sunday afternoon address of Bishop Edward Lambe Parsons of Berkeley, 11 clergy and laity of Protestant Churches of Washington Township met in the manse of Reverend Arnold Nash here to act as a committee pro-tem for Christian co-operation of the Churches in Washington Township.

Reverend Richard C. Day presided and Mr. Henry Adams read the minutes of the first meeting held August 29 at Niles, when only ministers were present.

A survey is to be made of communicants and those desiring to affiliate with the Protestant Churches of Washington, Eden, Murray and Pleasanton Townships.

The following dates for the holding of joint Christian services were established by the committee: on Thanksgiving Day at 10 a. m. in the Niles Congregational Church; the first and fourth Sundays in Advent, celebrated at the Centerville Episcopal Church; the other two Sundays in Advent to be celebrated in turn at the Irvington and Newark Presbyterian churches, with the Good Friday service to be held as heretofore at the Centerville Presbyterian church.

The six Sunday services during the Lenten season are to be arranged this making a total of 12 union services mapped by this committee for Washington Township churchgoers.

An Easter Sunrise service for children was discussed, without action being taken. Attending the meeting in addition to those already mentioned were Reverend J. L. Webster of Newark, Mr. Arthur Kirk, Reverend Victor Rivera, a visitor; and Laymen Mohn, H. F. Chadborn, S. G. Scott and Walter Waynflete.

EMPLOYEES ANNUAL PICNIC SAN FRANCISCO — More than 900 employees of the Westinghouse Electric & Manufacturing Co. and its various divisions and subsidiary companies in the San Francisco-Oakland Bay area, held their annual picnic Saturday at Linda Vista Park, near Mission San Jose.

All members and friends are urged to attend.

NILES P. T. A. REVIVES CUB PACK ACTIVITIES

The next regular meeting of the Niles P. T. A. will be held October 14 at the Niles grammar school.

The Ass'n at their Tuesday meeting voted to begin at 1:30 o'clock. Please note change of time. The reception to new mothers and teachers will follow a short business meeting.

At the last meeting the Association accepted the program as outlined by Chairman Mrs. Fred Dias. Each member will receive a copy of this program with their membership card.

The membership drive starts Oct. 1 with Miss Leona Solon as chairman, assisted by Mrs. Virginia Munro.

Mr. W. T. Lindsay, Scout Field Executive, gave a short explanatory message concerning the responsibilities of the P. T. A. as Cub Sponsor. A committee of Cub mothers, namely: Mrs. Catharine Parry, chairman; Mrs. Hilliard Hale, Mrs. Leo Norman, Mrs. Geo. Meek, Mrs. Bain Leask Mrs. Loren Mohn and Mrs. Fred Duffie was appointed to arrange for a pep meeting with speakers, to be held probably, Thursday evening, October 2 at the grammar school. A Cub leader will be chosen and the Cub pack will get under way once more.

Those interested in P. T. A. activities are urged to watch the Township Register and the Tribune for notices of activities. The association voted to write a letter to Nutrition Teacher Miss Spurling, asking for a series of lessons on this subject.

Refreshments were served by 8th grade mothers.

CHRISTIAN SCIENCE CHURCHES

"Love not the world, neither the things that are in the world." These words from I John comprised the Golden Text used Sunday, September 21, in all Churches of Christ, Scientist, branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the lesson-sermon was "Matter." Included among the Scriptural selections was: "In the beginning was the Word and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not anything made that was made" (John 1: 1-3).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, was also included: "Spirit, God, has created all in and of Himself. Spirit never created matter. There is nothing in Spirit out of which matter could be made, for, as the Bible declares, without the Logos, the Aeon or Word of God, 'was not anything made that was made'" (p. 335).

A WORK OF FAITH

In Council Bluffs, Iowa, is located a Home for orphan and destitute children, which is different from any other organization of its kind in the country. This Home was founded on the Promises of God nearly fifty-nine years ago, by Rev. and Mrs. J. G. Lemen. During all these years, Faith alone has been the guiding star that has led this Institution on, until today it is the most outstanding Home for needy children in America.

The Christian Home Orphanage of Council Bluffs, Iowa, is a National Home for children; it is located in Iowa, but it is supported entirely by the voluntary contributions of people from all sections of the country. It receives no appropriations of any kind, and employs no traveling agents, but depends upon the free will offerings of charitably inclined people for its support. The work of caring for homeless children, and training them to become Christian men and women, is the most outstanding work of today. The Christian Home Orphanage is doing this work, but it cannot do it without your gifts and your cooperation. This is a work in which all can take part.

The Christian Home Orphanage is unique in its work. It is not like an ordinary institution. The children are not institutionalized, but are like normal children from happy homes. Uniforms are not tolerated at the Home; but the

Miss Isabel Maciel Becomes Bride Of Mr. Eugene Vargas

IRVINGTON — Isabel Inez Maciel of Irvington became the bride of Ernest Eugene Vargas of Livermore at an impressive candle light ceremony at St. Joseph's church in Mission San Jose on Sunday, September 14. The couple exchanged marital vows before a candle-lit altar which was banked with giant chrysanthemums. Father Manuel Rose officiated at the 7 o'clock ceremony.

Escorted to the altar by her father, Joe Maciel, the bride wore a gown of white embroidered marquisette which was fashioned with butterfly effect drop shoulders and a long train. Her veil was finger tip length and had a halo cap. She carried a shower of Bouvardia and orchids. Her maid of honor, Dorothy Bettencourt of Decoto, wore a blue dress of marquisette which was fashioned after the bride's dress. The other attendants, Evelyn Brown of Warm Springs and Bernice Vargas of Livermore were attired in yellow. They carried colonial bouquets of delphinians, bouvardia and bachelor buttons. Tony Maciel, brother of the bride, was best man. The ushers were Herman Vargas, brother of the groom and Fred Moore.

A reception was given in honor of the newlyweds at the Warm Springs Grammar school. Assisting the bridal party in receiving the guests were Mr. and Mrs. Joe Maciel, parents of the bride, and Mr. and Mrs. Manuel P. Vargas, parents of the groom. Many beautiful gifts were received from the many friends and relatives who attended the reception. The bride's going-away outfit was a beige costume suit trimmed with brown fox fur. Her accessories were brown and she wore an orchid corsage.

The groom wore a brown serge suit. The bride's mother was attired in navy and her flowers were gardenias. The groom's mother was also attired in navy blue and her corsage was also gardenias. The couple left for a Canadian honeymoon after which they will reside in their new apartment which is awaiting them on their return. The groom is employed at the Todd Ship Yard in Richmond.

DECOTO COUPLE WED

DECOTO — June Cunha and Antone Rose, both of Decoto, were married in Reno over the weekend. The bride is the daughter of Mr. and Mrs. Joe Cunha, and is a graduate of the Decoto grammar school, and of Washington Union high school at Centerville. She was attending Business College in Oakland. The groom is the son of Mr. and Mrs. Rose, and is a graduate of the Decoto grammar school. He is employed in Oakland.

Mr. and Mrs. Louis C. Dunn and Miss Marjorie Bacon were weekend guests in the Henry Snell home.

FOR EVERY MEMBER OF THE FAMILY

FOR EVERY PURPOSE

* FAMILY STYLE *

LIGHTING

This month and on into Spring is the homey season of the year. Vacations are over. Schools have started. The family is finding happiness and quiet contentment in the home circle from sundown to bedtime. Isn't this true of you and your family?

To you, then, we would like to suggest a simple, inexpensive way to add to the brightness and gaiety and happiness of your home. It's Family Style Lighting.

Light up your easy chairs for new reading pleasure or to smooth out mother's wrinkles

as her eyes watch the mending needle. Do away with glare where Sis and Sonny are studying at desk or table. Transform the corner davenport with a new lamp to spread light for your family and to say "welcome" to friends.

You'll be surprised at how little it costs to provide good light for each member of the family.

OAKLAND CLUB GIVES NEWARK WORST TRUNCING

NEWARK — The Agrella Club of Oakland handed the Newark Sportsmen their worst defeat of the season Sunday at the Newark school grounds, overpowering them to the tune of 22 to 9.

The Oaklanders started out in the first inning with a smashing two fisted attack. They landed on Pitcher Larry Bettencourt for five hits, coupled with two bases on balls, netting them six runs for a starter.

They scored with such speed and regularity that it is doubtful whether or not the scorekeeper was able to account for all the runs. At times they seemed to be going around the bases in tandem formation. They showed no partiality to any of the Newark pitchers, treating them all like cousins. After knocking Bettencourt out of the box in the first, they continued their furious assault on Roy Duarte who took up the pitching burden in the second. Duarte gave way on the hill top to Stewart in the eighth inning. They teed off on him at the start and at the close of the inning they had five runs over the plate.

It was the kind of ball game that the old time baseball fans enjoyed. It had everything, some lusty clouting on the part of the visitors, and many errors of omission and commission on the part of the losers. The game was enlivened in the eighth inning when Battling Tony Rivers of the Sportsmen and Wild Cat Glenn of the Oakland team mixed it A La Marquis De Queensbury. Without any preliminary sparring they promptly cut loose with their Sunday punches, which just punctured the ozone, so the combatants then fell into a clinch. At which point cooler heads prevailed upon them to give up their joust.

A traditional jinx which is generally in attendance when a club has its picture taken with new uniforms, was very much on the job Sunday. However, this is not an effort to alibi for the Sportsmen's overwhelming defeat. It can be said that this is perhaps the best club the Sportsmen have met this season.

CENTERVILLE TRAFFIC PATROL PLANS ACTIVITIES

CENTERVILLE—Twenty members of the Centerville Elementary School Traffic Reserve attended the Niles Theatre on Thursday evening, September 18. Transportation was provided by Mr. Dallas Paul, Mrs. Soares, and Principal Thomas Maloney.

Arrangements have been completed so the junior Traffic patrol will be able to attend some of the big football games at Stanford University and at the University of California.

The Centerville squad is sponsored by the Centerville Lions' Club and is assisted by the Centerville Parent-Teachers' association and the Centerville Board of Trustees. Principal Thomas P. Maloney is director of the patrol.

GOLF TOURNEY

NEWARK — The first golf tournament of Washington Township will be held at the Hillview Golf Course at San Jose between October 5 and October 15. All golfers in the Township who wish to participate should go down and shoot a qualifying round before October 5. Some of the golfers planning to compete are Jean Blanche, Vernon Willard, Clyde Jones, Ralph Brown, Vernon Rose, Don Hegen, Albert Silveria, Allen Norris, and Danny Silva.

FARM CENTER AT ALVARADO ENJOYS MEETING

ALVARADO — The Alvarado Farm Home Center held its first fall meeting recently at the home of Mrs. Rose Peixoto on Baine avenue here. The project of the day was furniture arrangement presented by Mrs. Mary Holeman, home demonstration agent, which proved very interesting.

At 1 o'clock the business meeting took place with 17 members present. Mrs. Joe Williams gave a fine report on county committee work, and those who went to Pine Crest gave a fine report on the wonderful time they had there.

Each person brought their lunch and the hostess served delicious punch and cookies. It was suggested that Township housewives specify Holly sugar, a local product, when buying this staple and suggested that local beet sugar growers make the effort to advertise this product in every way they can.

Mrs. Edith Phau and Mrs. Lena Bettencourt were appointed project leaders for the next meeting to be held at the home of Mrs. Hazel Roderick.

The annual picnic was held recently at the Hayward Memorial Park with 28 persons present. A luncheon was enjoyed and many games were played, with gifts presented to the winners.

HUGE DEFENSE PAGEANT TO OFFER ARMS DISPLAY

SAN FRANCISCO — Northern and Central Californians will be shown the greatest display of armed might in two decades when San Francisco stages its National Defense Pageant, October 3, 4 and 5, the San Francisco Junior Chamber of Commerce, sponsors of the event, announced today.

Over 15,000 soldiers, complete with their equipment of guns, trucks, scout cars, command cars and "jeeps" will march in a gigantic night parade and then place their equipment on display for inspection by the public. Participating with them in the parade will be sailors, marines, veterans, units from civic, fraternal and service organizations and commercial firms. Mayors of Bay Region cities are being invited to sit in the reviewing stand.

Materiel, from small machine guns to huge coastal defense guns, will be displayed in Civic Center for three days. A bomb shelter with sound effects of an actual air raid recorded in London will be open to the public. Other features of the pageant will be the tent camp in Golden Gate Park, the St. Mary's-Moffett Field football game, the mass rally and street dance.

JOHN MCGOWAN IS NEW SCOUTMASTER OF NILES TROOP

John McGowan was named Scoutmaster of the Niles Boy Scout Troop at a reorganization meeting held at the Scout house recently with 18 Scouters present. He succeeds Scoutmaster Pine and will be assisted by Vernon Ellsworth, Louis Havey and Billy Silva.

The troop, which is sponsored by the Niles Junior Chamber of Commerce, and is one of the oldest Troops in the Township, held an all-day clean-up party at the Scout house recently.

Adult Scouters actively participating in the activities of the troop include Field Executive W. T. Lindsay, Lewis Lewis, Ellsworth, Fred Duffie, Bain Leask, Frank George, John Pearson and Frank Silva.

LaVerne Lawrence of San Jose has returned to her home after spending a couple of weeks visiting at the home of Mr. and Mrs. Joseph Lawrence here.

The State Highway Department is advertising on page 7 of this issue for bids for constructing a steel truss bridge with timber deck across an arroyo 3.2 miles north of Sunol.

ALVARADO CHAMBER BACKS PROJECT OF NUMBERING HOUSES

ALVARADO — An enthusiastic meeting of nearly 50 members, inspired by the leadership of President Frank Machado, met in the schoolhouse here Thursday night of last week for the regular meeting of the revived Alvarado Chamber of Commerce.

A new project was launched when it was favorably voted to number all the houses in Alvarado, and Surveyor William Dutra of Newark accepted the assignment of presenting maps and house numbers at the next meeting of the Chamber on October 23.

Machado reported he had personally collected the dues of the nearly 100 members, and that work was now proceeding on the town's sanitary system — another vital project which he helped to "spark plug" — and that within 60 days the five miles of sewers should be completed and ready for use. The local fire district is being reorganized and a site is being selected for a fire house, it was reported.

SERVICES HELD FOR LONG-TIME RESIDENT OF IRVINGTON

IRVINGTON — High mass was said last Friday at St. Joseph's Church in Mission San Jose for the late Mrs. Minnie P. Morris, 64, a resident of this community for the past 42 years. Interment followed in St. Joseph's Cemetery under the direction of the Berge Mortuary.

The deceased was a native of Fayal, the Azores. She was the wife of the late John A. Morris, the mother of John C. and William Morris of Irvington and the foster mother of Mrs. Frank Ferreira of Newark. She was the sister of Mrs. John Borge Fonseca of Centerville and Mrs. Joe Leal of Mission San Jose. She was a member of S.P.R.S.I., Lodge No. 3 of Mission San Jose.

FIRST AUTUMN FOOTBALL GAMES ON AIR SATURDAY

Inter-collegiate football in the Pacific Coast Conference gets under way this week-end with the University of Oregon invading the Stanford Stadium at Palo Alto for an important tilt with the Stanford Indians, defending champions. The game on Saturday afternoon, September 27 will give football fans their first indication of the comparative strength of the two teams. The game will be broadcast by Associated sportscaster, Doug Montell, and will be heard locally over Station KFRC (610 kcs) starting at 2:15 p. m.

California meets St. Mary's at Berkeley in an opening game which will hold the interest of grid fans throughout Northern California. Associated sportscaster, Hal Wolf will be at the microphone to air the contest over Station KGO (810 kcs) starting at 2:00 p. m.

On Sunday September 28 the University of Santa Clara meets the University of San Francisco at Kezar Stadium San Francisco. This game will be broadcast by Associated sportscaster, Don Thompson, starting at 2:00 p. m., to be heard over Station KQW (740 kcs).

FIRST SOLDIER FROM TOWNSHIP TO BE RELEASED

CAMP SAN LUIS OBISPO. (Special) — The following named enlisted man was today released from active military service, in conformity with the Service Extension Act of 1941, it was announced today at Headquarters of the 40th Infantry Division.

Private John J. Simmons, Battery F., 143rd Field Artillery. (Box 531, Niles, California.)

The soldier has received his "Certificate of Service" for having honorably served in active Federal Service in the Army of the United States, and has been transferred in grade and specialist rating to the Enlisted reserve Corps.

Only a few days are required for final procession of release papers, and the soldier, who has undergone vigorous basic and unit training, will be free to return to civil life.

GUAYULE RUBBER

SALINAS — Congressman John Z. Anderson told members of the Salinas Valley National Defense Committee to Promote the Production of Guayule Rubber, last night at the Jeffrey Hotel in Salinas that the guayule rubber legislation was progressing just as fast as it possibly could. He felt sure, he stated, that it would be passed in time to plant out the 45,000 acres which it provides for, and for a thorough study of not only the manner in which it will best grow, but where it can be grown. Mr. Anderson stated he was receiving wholehearted support from the administration leaders.

DRAFTEES MUST ADVISE BOARDS OF ADDRESS CHANGES

SACRAMENTO — Selective Service registrants were today warned by Brigadier General Joseph O. Donovan, state director of selective service, to keep their local boards advised of address change or become subject to severe penalties.

In issuing the warning General Donovan said he had been advised by National Headquarters that many cases of delinquencies investigated by the Department of Justice revealed carelessness on the part of the registrant rather than a wilful desire to evade the law relative to reporting change of address.

NATIONAL DEFENSE DOLLARS POUR INTO CALIFORNIA

SAN FRANCISCO — National Defense dollars cascaded into California today as the nation swung into an all-out effort to secure the nation's freedom.

During the period from August 16 to 31, according to figures compiled here by the Division of Information, Office For Emergency Management, more than \$70,000,000 were made available for National Defense projects and supplies in California.

A fresh No Parking sign on the street and a red stripe on the curb were painted Tuesday outside the Niles Theatre.

SPIDER WEBS IN MOTION PICTURE ARE IMITATIONS

Enough webs to accommodate all the spiders in California — and there are plenty of them — were spun by studio special effects technicians to provide the proper spooky atmosphere for Universal's new Bud Abbott-Lou Costello starring comedy, "Hold That Ghost." Much of the action in the picture, which opens Sunday at the Niles theatre, takes place in an abandoned and supposedly haunted roadhouse that once served as an underworld gang's headquarters.

It is no longer a secret that cobwebs, even more convincing for screen purposes than the real things, can be readily made in any spot desired. Their principal ingredient is rubber cement.

Abbott and Costello have been given a big supporting cast in "Hold That Ghost." In featured roles will be seen such outstanding performers as Richard Carlson, Joan Davis, Mischa Auer, Evelyn Ankers, Shemp Howard, the Andrews Sisters and Ted Lewis and his orchestra.

FIFTEEN SCOUTERS TO RECEIVE THEIR EAGLE BADGES

OAKLAND — More than 5000 Metropolitan Oakland Boy Scouts and Cubs are "going Western" this week when the fall roundup program gets under way according to Howard D. Ainsworth, chairman of the camping and activities committee. The program will include rodeo nights, admission of new members to the Troops and Packs and chuck wagon feeds, Ainsworth said.

Climaxing the week's program, an Eagle court of honor will be held on Saturday night, September 27 in the chambers of the local movement will be awarded the highest rank of Scoutdom, the Eagle Scout badge.

Volunteer leaders serving Scouting in this area total more than 1700 men, giving of their time so that boys might have the advantages of Scouting, said K. Leroy Hamman, council president. These volunteers are to be commended by all citizens for their unselfish service, making possible the services of one of the participating agencies of the Oakland Community Chest, Hamman said.

THE FEAST IS READY — WHERE ARE THE COMMUNICANTS?

Clergy and laity of Protestant Churches of Washington Township are hard at work planning and conducting the many activities occasioned by church life.

In addition to the worship services conducted by the ministers, there are many lay activities, including Sunday School classes for all ages, choir work, men's clubs, Young Peoples' groups, and social groups such as Guilds and aids.

Many, many more persons, both young and old, should support and attend the lay activities of choir, Sunday School, etc. The larger the groups the greater the inspiration and the more successfully the work carries on.

People who are indifferent to the Church, particularly in drastic times like these are imperilling the safety of their own souls and spirits.

How do YOU stand with the Church — or do you stand at all? If not, the Church loses your support and presence, BUT: you lose something infinitely more precious: Christian comradeship. — W.W.

TOO MANY SOLDIERS.

Driving to the coast the middle of last week your editor passed by Camp Roberts, Fort San Luis and other large Army camps; one of them was eight miles long. The thought came to him that our President has misjudged the character of this war and the type of the United States' possible involvement therein.

This vast army of soldiers we are building up, at enormous expense to the people, with its accompanying dislocation of industrial organization, can be needed only by a vast stretch of the imagination. How are we going to get them where, and for what?

Meantime, we DO need shooting tools and shooting men for our navy and air service, both now nibbling around the edges of that Hell's Point over seas.

Walter Lippman, in his column in the Sunday Tribune was hit with the same thought. We need lots of fliers and sailors, as this is a fliers and sailors war, but what to do with a vast land army?

Well, the step has been taken, and it will have to be continued until the forces of evil collapse overseas, and in their fall tear down all that an evil genius has built up: out of paper money and bayonets. — W.W.

THE GRANARY OF THE WORLD

If our President were as far-seeing as he on occasion has shown himself to be he would remove all restrictions on the growing of wheat, corn, cotton and other staples.

Famine is now stalking the world and the Americas alone can feed the starved populace so soon as nazism ends and normalcy returns.

Your editor's immediate relatives in the Middle West are being penalized from \$100 to \$1,000 apiece for growing wheat in excess of their allotments . . and

what kind of a business is that with half the world on the brink of starvation? ?

The new deal, so far as agriculture is concerned, long since has developed into a queer deal. Farmers, the backbone of our nation, are of all people the most independent. Why try to regiment their efforts by restrictive legislation?

The world needs food. The Americans can raise it . . Once barriers of The Law are removed and cast away.

THE STATE GUARD IS FUN!

With 24 men drilling on Monday nights in the high school gym, under the leadership of five uniformed drill-masters from the Oakland companies of the California State Guard, it is fun to hear the orderly beat of marching feet and the rhythmic "One, two, three, four" of the corporal.

There is something about military drill which fascinates any red-blooded young American. The orderly execution of commands, the smart bearing, the comradeship usually appeal greatly to young men.

The Guard rifle company now forming in Washington Township offers a challenging invitation to men and young men of this district to "fall in!" and help organize and maintain a smartly clad, well-drilled military organization for this Township.

Any American citizen from 18 to 64 years of age may join. Drills are held every Monday at the high school gym from 7:30 to 9:30 p. m. This is an invitation for 50 more young men of the Township to join up for a year. — W. W.

OUR VOLUNTEER FIRE DEPARTMENTS.

Hats off to the volunteer fire departments of Washington Township! They are composed of able, willing men and young men who drop their work or leap out of bed at the first sound of the siren.

And they go at their work of extinguishing fires intelligently. They attend schools and demonstrations; they attend monthly dinner meetings with other firemen of Southern Alameda County; they even go

Our volunteer firemen are deserving of everyone's respect and co-operation . . and by the way: three fire department dances are coming up very soon: Niles on October 4, Mission San Jose on October 11, and Decoto on October 18.

These dances are given to raise funds for the maintenance of certain expenses of the fire departments not otherwise provided; therefore everyone should buy tickets to these dances whether they plan to attend and "shake a leg" or not.

TAKE CARE OF YOUR AUTOMOBILE

A national automobile executive put a story on the Associated Press early this week advising individuals to take care of their present automobiles in order to keep them running as long as possible, or, if they are contemplating buying a new car, to do so at once.

Automobile production will be reduced 50 percent by December 1, he advised, by which time new defense factories will be completed in automobile plants, whereupon half of the men and materials now being used to make automobiles, after that date will be making tools of war.

After December 1, a citizen's need for a new car will be investigated. If someone else needs a new car more than you do he will be given preference — and you will have to keep your old car running.

This is something new in American civil life . . but one does hear now and then of a bit of war going on here and there.

Therefore, Mr. Private Citizen's best bet today is to keep his car in full repair, walk as much as possible, avoid unnecessary pleasure trips, and if you must have a new car, BUY IT NOW!

I love smooth words, like gold-enameled fish
Which circle slowly with a silken swish,
And tender ones, like downy-feathered birds!

Words shy and dappled, deep-eyed deer in herds.

LOCAL SOLDIER
SAYS MEN EAT
LOTS OF PRUNES

IRVINGTON — The following letter was received recently by Mrs. Elizabeth Haskell Sloan of Broad View Hill from her grandson, Robert Pahey, who is in training with the 28th. Engineers Battalion at Fort Leonard Wood, Missouri:

"Well I don't have too much to write about, but I can try to tell you about a few things we have done. We have done some marching and drilling, which no one likes very much, we have also learned a little first aid, which is a good thing to know whether you are in the army or not. We will have to learn how to build bridges and tank traps, tank mines to blow up tanks. Will also have to learn to shoot a gun the army way, I am like Grandpa, I shoot left-handed . . . I will have to learn to shoot right-handed if I can.

"There surely are a lot of the guys here that hate this army, and I can't say that I have any love for the place myself, but I am going to make the best of it. The USO tries to make it home like for us here so that helps. We get good food here every day, and by the way, we have prunes on the table every morning, so the army boys are trying to eat all the prunes they can get here. I don't know how it is in other camps, but I hope it will help you to get a better price for your prunes this year, any way I am eating all I can. I have one thing more to tell you and that is this, we have to train here only ten weeks, and then we are sent to some other fort some place in the United States. . . ."

Robert went to school in the Mission for a term so there are quite a few around here who know him.

NEWSPAPER WEEK
TO BE OBSERVED
OCTOBER 1 TO 8

— C. N. P. A., Inc. Service —

Daily and weekly newspapers of the country will observe National Newspaper Week from October 1 to 8 with a \$1,000,000 promotion program, it was announced today by the National Newspaper Week Committee of Newspaper Association Managers.

Plant visitations, civic club meetings, newspaper exhibits and promotion advertising in more than 5,000 communities will feature the observance, the Committee reports.

Editorials and talks at group meetings will be built around the Committee's slogan, "The Newspaper Lights the Way of Freedom," in an effort to enlighten the public as to its stake in a Free Press.

President Roosevelt has sent a strong endorsement of the Freedom of the Press to the Committee in charge and his letter will be released October 1. Governors of many states and other public officials have proclaimed the period October 1 to 8 as National Newspaper Week and have issued statements praising the Press for their public service in reporting the war and in the national emergency.

KILL FOUR DEER

NEWARK — Nick Lewis of Centerville, Joe Dutra and Kenneth Ferry of Alvarado, Ivan Paulson, Louis and Joe Calderia of Newark returned home Sunday after a ten day deer hunting and fishing trip in Modoc County. Nick bagged a 175 pound deer; Joe bagged a 150 pound deer; Kenneth a 145 pound buck and Ivan a 165 pounder. The group also brought home a limit of fish.

DEFENSE BOND QUIZ

Q. Do the retail stores receive any fee or percentage for the sale of Stamps?

A. No. The retail stores are offering their facilities as a patriotic service, just as banks, savings and loan associations, and others are giving their help in the sale of Defense Bonds.

Q. How can I form the thrift habit necessary for me to buy many Defense Bonds now, to help the government?

A. The easiest way is to instruct your employer or banker to hold back a small fraction of your salary or other income. Even 10 cents a day and a dollar on your birthday will mount up in one year to \$37.50, the purchase price of a \$50 Defense Bond. Bigger savings buy bigger bonds.

Note — To buy Defense Bonds and Stamps, go to the nearest post office bank or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at retail stores.

BISHOP PARSONS TELLS THROG OF CHURCH UNION

National Plan Progresses
To Unite Episcopal And
Presbyterian Churches

CENTERVILLE — Seventy-five clergy and laity of the Protestant Churches of Washington Township enjoyed an excellent luncheon served Sunday noon in the Memorial hall at St. James Episcopal Church, at which time Right Reverend Edward Lambe Parsons, Bishop of the Episcopal Church of California was guest of honor.

Acting as toastmaster, Reverend Arnold J. Nash introduced the speaker, prefacing the introduction with personal comments revealing the intermingling, through family marriages, of the many branches of the Protestant Churches.

Bishop Parsons recounted the present status of the concordat of the Episcopal and Presbyterian church bodies in the United States, begun back in 1886-7, and continued at intervals ever since.

The Chicago Lambeth quadrilateral conference held in 1894-5, further pursued during the new century, has brought together representation from 63 different denominations, including the Greek and Russian Orthodox Churches.

He pleased his hearers by announcing that the general conventions of both the Episcopal and Presbyterian Churches have already pledged themselves to unite, once the contributing details can be worked out. Young men, undertaking their ministry now can receive joint ordination as ministers in both churches, he said.

Answering a question as to the basic difference between the Roman Catholic church and the Protestant churches as a whole the Bishop said the Catholic Church collects the individuals and makes the church supreme, while the Protestant churches establish and maintain a body of democratic individuals, keeping the individual supreme in his God-given right to worship the Almighty as his conscience directs.

BADMINTON CLASSES

Albert Silveria, physical education instructor at the evening High School in Centerville, announces that he will have a class in badminton for men and women. Classes are held Tuesday and Thursday between the hours of 7 and 9 p. m. in the High School gymnasium. There was a good turnout at the classes last year and a larger number is expected this year as the game of badminton is an interesting and thrilling one.

CENTER HEARS OF NEED FOR RURAL FIRE ENGINES

CENTERVILLE — The matter of procuring four additional rural fire engines for the unincorporated areas of Southern Alameda County occupied the attention of the members of the Washington-Eden Farm Center during last week's meeting held at the high school here, with James Nunes presiding.

A. E. O'Donnell, newly elected full-time secretary of the County Farm Bureau stated that with competent engines stationed at Sunol, Altamont, Upper Mocho and Crow Canyon hay and grain insurance rates could be reduced from \$1.25 to \$1, and pasture land insurance against fire from \$4.50 to \$3.50. This proposal has already received the endorsement of the Livermore Chamber of Commerce, the County Firemen's association and other civic groups.

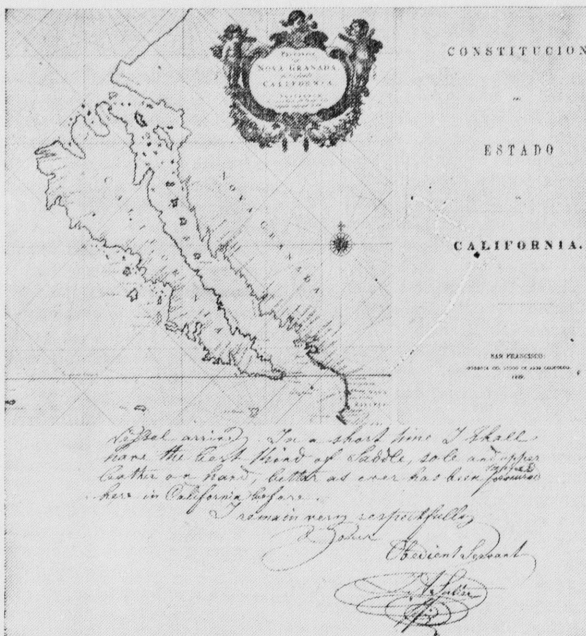

President Nunes appointed a nominating committee consisting of Joe Shinn Jr., Franklin Brown and Anthony Garcia to put names in nomination at the annual banquet and election of officers to be held by the Center on Tuesday night, October 21 at the high school cafeteria.

ENROLLMENT GAINS

Principal E. D. Bristow reported an enrollment of 302 pupils during the second week of school at the Niles Elementary school, as compared with 254 at the same time in 1940 and 239 in 1939.

HUNTINGTON LIBRARY COLLECTING CALIFORNIA RECORDS FOR BENEFIT OF POSTERITY

Above are samples of materials sought by Huntington Library, at San Marino, for its California collection, according to Committee appointed to procure additional letters, books, diaries, and maps essential to the study of California history. Map of 1666 shows conception of California as an island. Very rare first constitution of state, 1849, in Spanish, is recent gift. Sutter signature is from a letter to American vice-consul, 1847.

THREE CAR CRASH KILLS WOMAN; SENDS NINE TO HOSPITALS

WARM SPRINGS — A three car pile-up on the San Jose-Oakland highway near here late Saturday night brought death to a San Francisco woman and put nine other persons in hospitals for treatment.

An Oakland man who was on his way to San Jose to give a blood transfusion to a friend in San Jose, was himself taken, with his wife, his mother and his brother, to the San Jose hospital, where all became patients themselves.

The other two cars involved in the collision belonged respectively to San Francisco and Sacramento families, all of whom were injured in varying degrees.

DR. REINHARDT SPEAKS

Dr. Aurelia Reinhardt president of Mills College for women in Oakland was guest speaker at this Thursday noon's luncheon meeting of the Niles Rotary club held at the Hotel Belvoir. She was introduced by Reverend Richard C. Day of Niles and spoke on the subject: Matters of Moment. Chick Burdick of Newark was chairman of the day.

ORDER MORE HOSE

NEWARK — At a recent meeting of Fire Commissioners at Newark the Board placed an order for a thousand feet of fire hose with the American Rubber Company to be delivered sometime in December at which time the district will probably receive their new 500 gallon pumper.

Safeway Resumes Advertising In Weekly Newspapers

Niles patrons of the former Safeway store here, which closed up several months ago, (but not through lack of business, however!) 2nd Niles and Centerville patrons of the Safeway store in Centerville will be pleased to find Safeway Store advertisements appearing regularly each week in this newspaper.

A new advertising manager for Northern California has entirely discontinued the use of handbills, regarding them as undignified, and has returned his firms advertisements to the pages of weekly newspapers, whose prestige in their respective communities is above question.

The Safeway advertisements appearing this week in this newspaper, and during the months to come, are especially designed for use in the weekly newspapers of Southern Alameda County, and reveal considerable art work in their preparation, as well as giving the season's best price offerings in the various food departments of these big stores.

ABROTT IMPROVES

LIVERMORE — Young Arthur Abrott, Livermore district rancher, who shot himself with a hunting rifle on Admission Day, is showing some improvement at St. Paul's Hospital here, according to his uncle, E. H. Frick of Niles. Abrott's left arm was amputated at the shoulder and his strength has been directed against infection from gangrene. He has had several blood infusions and it is expected he will pull through in time.

ATTINGER HAS NEW 1942 PONTIAC ON DISPLAY HERE

Bringing to Washington Township the first inkling of what the 1942 Pontiac is going to be like, Dick Attinger of Attinger & Underwood has returned from an announcement meeting held in Oakland at which the new Pontiac was formally unveiled before Pontiac's northern California dealer organization.

"Everyone present was pleasantly surprised when he saw the new cars," the local dealer said. "In a year when changes are least expected we found that the new models have been restyled in appearance and that a number of improvements have been made as well.

"Torpedo styling, which Pontiac pioneered two years ago, will continue as the basis for Pontiac design. However, changes in the new cars are as radical as the 1941 changes were in comparison to those of the previous year."

Attinger explained that the Pontiac factory was able to introduce new body lines this year because tools and dies for the change-over were made last winter and in the early spring of 1941, before tool and die makers were needed for national defense work.

Pontiac has not suffered greatly from material shortages, the local dealer pointed out. Pistons, for example, remain unchanged in composition because Pontiac has made them with an iron alloy in preference to aluminum ever since 1926.

The new 1942 Pontiac is to be on display at the Union 76 Station this weekend.

IRVINGTON FIRE HALL TO HOLD OPEN HOUSE SUNDAY

IRVINGTON — The new fire hall here will be open to public inspection this Sunday afternoon from 2 to 5 o'clock, with the Ladies Auxiliary of the local fire department serving as hostesses. Mrs. Mae Raymond is president of the Auxiliary and Mrs. William Rose chairman of the afternoon. Refreshments will be served.

The 15 members of the Auxiliary, which was organized two years ago, are "doing their bit" by sewing for the British War Relief association.

THE FINE CAR WITH THE LOW PRICE—GENERAL MOTORS' MASTERPIECE

ANNOUNCING THE NEW 1942 Pontiac Sixes AND Eights*

New streamlined Sedan Coupe in Pontiac's lowest-priced line.

- Pontiac Triple-Cushioned Ride—even further improved—is still yours in 1942.
- New Unisteel Bodies by Fisher equal in quality—even exceed in beauty those of any previous Pontiacs.
- Pistons and all vital engine parts are unchanged for 1942.
- Travel of the gearshift lever has been reduced 30%.
- Gas and oil economy has not been sacrificed.
- Front wheel brakes have been increased in size.

*ONLY \$25 MORE FOR AN EIGHT IN ANY MODEL!

Proud To Be Doing Our Part

Pontiac is doing its part for National Defense by building a new type of rapid-fire cannon for the United States Navy. Two plants, covering 426,123 square feet of floor space, have been devoted to the

manufacture of these cannon. Thousands of craftsmen have been trained for the highly technical machines. This means building fewer cars—but Pontiac places defense work ahead of everything else.

SURPRISINGLY ADVANCED in style and luxury, the new Pontiac Sixes or Eights for 1942 today come sweeping into the spotlight—refreshingly new in appearance, but still the same, fine, faithful Pontiacs in time-tried quality. Two series of new Pontiacs include ten widely varied models—among them a streamlined Sedan

Coupe in the lower-priced series. New features are many. And in every instance, they represent actual improvement resulting from progress in design. We invite you to come in now to give these new Pontiacs your most thorough and critical inspection. You will find Pontiac today, more than ever, the *Fine Car* with the *Low Price*!
